Your presence at our wedding is the greatest gift of all. However, should you wish to honour us with a gift, a wishing well will be available at the reception for your contribution and best wishes.

Your love laughter and company on our wedding day is the greatest gift of all. However should you wish to help us celebrate with a gift a wishing well will be provided on the day.

Your presence at our wedding is the greatest gift of all. However, if you wish to follow with tradition and purchase a gift, a financial donation to help us establish ourselves in our new home would be welcomed and greatly appreciated. If you wish to participate, simply look for the wishing well at the reception to leave your best wishes and donation.

Your presence at our wedding is the greatest gift of all. However, should you wish to honour us with a gift, a contribution to our honeymoon would help to create memories that will last a lifetime. A wishing well will be available on the day.

We so look forward to your presence on our special day.

We do nonetheless realise that some of you may wish to give us a wedding gift to commemorate our union together. After having lived on our own, we have all of the household items we need.

However, for those of you who would like to give us a gift, we will have a wishing well at our reception that will go towards our future together.

Many of our guests have enquired  
For a gift idea to be inspired  
Like many young couples today  
We have most things anyway  
If you would like to give, it is our request  
For something for our treasure chest  
A gift of money you can afford  
Is just what we need you can be assured  
Without the help of this little pun  
Our honeymoon would not be as much fun

If you were thinking of giving a gift to help us on our way, a gift of money towards our future would really make our day. However, if you would prefer to purchase a gift feel free to surprise us in your way.

Because at first we lived in sin  
We've got the sheets and a rubbish bin  
A gift from you would be swell  
But we'd prefer a donation to our Wishing Well!

To save you looking, shopping or buying,  
Here's an idea we hope you like trying  
A gift of travel is all we require,  
To help us have the honeymoon we desire  
Place your envelope in our treasure chest  
And we will make our honeymoon the very best!  
Now that we have saved you all the fuss,  
We hope you will come and celebrate with us!

We made a commitment some time ago that together through life we were destined to go. The tradition of the wishing well used on the wedding day, is a gesture for your contribution and for what you would like to say. So please drop in a token of love for this special bride and groom, that they may put towards their honeymoon.
